Picture it:

In September of 2017, we looked for the biggest pile of boxes of printer paper that we could find, and found this pile of 62 boxes, which was nearly the number of boxes of tracts printed at that time.

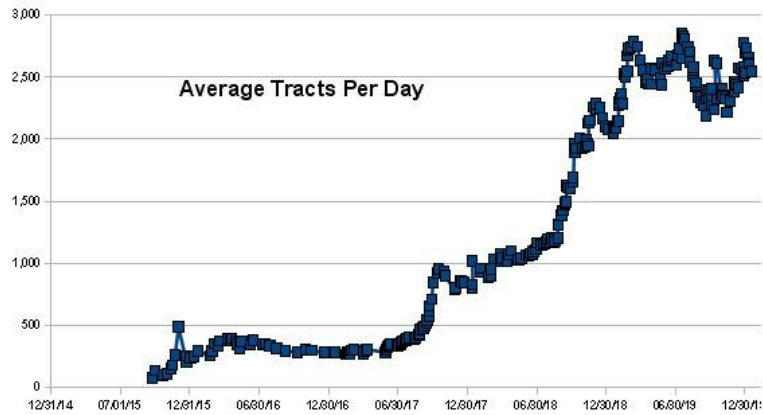

But now, the total number of boxes of tracts printed and distributed since June of 2015 is **6.79** times the size of the pile shown here.

We now average **3.02** times this pile in a year.

Trend

The **rate of tract distribution** has been increasing, but has recently slowed, as indicated by the graph shown here. This shows the rate of tract distribution increasing faster and faster until the year 2019, then remaining near 2500 tracts

per day thereafter. This is because before 2019, tract distribution was keeping up with increasing demand as more pastors learned about the availability of the tracts; but at the beginning in 2019, the rate became limited by available funding. Since then, we have had a waiting list of requests for tracts, and pastors have had to share the available funds, receiving less tracts than they would like.

Languages and Countries

These are mostly printed in Cebuano, English, Swahili, and Luo, and mostly distributed in western Kenya and southern Philippines (Mindanao).

Distribution in Pakistan was stopped because of persecution. New areas are eastern and northwestern Kenya, Tanzania, Uganda, central Philippines, and The Gambia (western Africa).

Support

You can support this tract ministry by sending a donation to About-Face Missions, designated "Tracts". (See <https://afm.ngo/donate> for details). The cost of 100 tracts is \$0.80 in the Philippines and is \$0.78 in Kenya. *Reports suggest that on average, three to four priceless souls are saved for every 100 tracts, that is, for less than one dollar.* Of course, souls cannot be bought for money -- the price of our salvation was the suffering and death of Jesus Christ. But God needs people to deliver the Gospel so that people can be saved. (Romans 10:13-17) Hundreds of volunteers are delivering these tracts, but don't have the money to buy or print the tracts. Your donations are needed, and the *"four priceless souls for less than one dollar"* estimate shows that **your money will be well spent -- an enormous bargain from a spiritual viewpoint.**
